**Certificates from the Heads of the Institutions of the Principal  
Collaborators from India/France**

In order to result in effective, long lasting interactions between scientists of the two countries, it is desired that collaborative programmes supported by DST-INRIA should correspond to scientific interests of all collaborating laboratories, and not only to those of isolated investigators from these laboratories. For this reason, heads of collaborating laboratories are requested to commit themselves, by verifying that the proposed programme corresponds effectively to a major interest of the group they are responsible for, and by indicating the amount of resources (in terms of recurring expenses, equipment and manpower) allocated to the project from their own budget.

**Project Title:**

- (1) Certified that this institution agrees to the participation of \_\_\_\_\_(Name) \_\_\_\_\_(Designation) in this Institution as Principal Collaborator from India for the above project which is being submitted for support to DST-INRIA programme.
- (2) Certified that the infrastructural facilities related to the project activity available in this institution including equipment, manpower and other facilities, and all necessary administrative support will be extended for the project.
- (3) This institution assumes to undertake the management of financial and other responsibilities of the part of the project work which will be conducted in this country.
